assessment results and how they are being used. Include a summary of the norming session, the rubric score and scale, an artifact, and plans to enhance student learning.

Briefly summarize the assessment results and how they are being used. Include a summary of the norming session, the rubric score and scale, an artifact, and plans to enhance student learning.

The norming session was fairly straightforward. The rubric and learning outcomes were reviewed and a few sample artifacts were scored. The reflection session revealed some strengths and areas in need of improvement. In general, while portfolios are always useful, whenever it may be challenging to capture all learning outcomes in a single artifact, there is some discussion of the challenges of that. One of the key things was to ensure that the artifacts were clear and concise. The reflection session also revealed that the artifacts were not always clear and concise. The reflection session also revealed that the artifacts were not always clear and concise. The reflection session also revealed that the artifacts were not always clear and concise.
